# On The Wings of Angels

On The Wings of Angels was established in 2023 by JoJo Dries, a survivor of domestic abuse. On The Wings of Angels is dedicated to creating a community united, with the mission to empower those adversely affected by domestic violence.

We offer a safe space to connect with like-minded individuals and receive support and guidance.

Our focus is on providing a safe and nurturing environment for women who have experienced abuse, offering them a pathway to healing, independence, and a violence-free future. We offer tangible, immediate help, as well as act as a conduit to connect survivors to other local community organizations who can serve and support them in their path to recovery.

Our goal is to invest in the future of our community members, actively work to create positive and progressive change and provide those affected with the necessary tools to move forward safely and with peace of mind.

We welcome all genders, nationalities, and creeds and do not tolerate any form of discrimination. Our hearts and doors are open to anyone who seeks assistance, with the assurance that confidentiality and safety are our top priorities.

Her story is one of courage, compassion, and the unshakable belief that when we rise, we lift others with us.

# The 3<sup>rd</sup> Annual Fundraising Gala

April 25, 2026  
Doors open: 5pm  
Royal Park Hotel

On the Wings of Angels is proud to host our Second Annual Fundraising Gala, an evening dedicated to raising awareness and mobilizing vital resources for survivors of abuse within our community. While it's often said that "it takes a village," the reality is that meaningful, life-changing support also requires sustainable financial investment to meet survivors' immediate needs and help them rebuild lives free from violence, fear, and uncertainty.

This is where partnership becomes powerful. Alignment with local corporations, invested business leaders, and committed patrons through financial sponsorship is essential to advancing our mission. Your support allows us to provide immediate, tangible resources, long-term support, and empowerment for women as they step into safety, stability, and independence.

This year's Fundraising Gala is especially significant. Funds raised will directly support the immediate, tangible assistance On the Wings of Angels provides to survivors, including emergency housing support, transportation, basic necessities, safety planning, and access to critical resources during moments of crisis. This event ensures we can continue responding quickly, removing barriers, and walking alongside survivors as they move from survival to stability and healing.
